Hi Fa'amao,

Please find enclosed the revised preliminary draft NPDES Permit and Fact Sheet for StarKist Samoa (AS0000019), which reflects our recent discussions and additional data. We are happy to discuss any factual inaccuracies at our meeting on May 8<sup>th</sup>. In accordance with our normal process, we plan to public notice this proposed permit shortly thereafter. I am also sharing this version with StarKist today.

Talofa Elizabeth,

I hope you are doing well. Just checking in with you if you have a time line on when draft permit will be issued so we can review it before meeting in May. Please advise.
